Step 1: Click on this page link (https://summerscholars.ea.asu.edu)

Step 2: Log in with your ASURITE ID and password (reminder: your ASURITE ID is the credential you use to log in to myASU)

Step 3: Once logged in, click on “Add Courses” on top
Step 4: Add your course
Click on the “Add course” button next to the course you want to enroll in, then click “Enroll”

Step 5: Upgrade the course (OPTIONAL)
Once you are back on your dashboard, click the “Access Course” button. This will prompt you to either “Upgrade this course” or “Preview this course.” If you want academic credit, then you will need to Upgrade. *This step is not required. If you are taking this course in order to later re-take the Math Placement Assessment, you do not need to complete this step.

There is a $25 cost to upgrade.

Upgrading a course means you are put onto the credit eligible track and once you pass all course requirements, you can add the course to your transcript.

Previewing the course is the same as auditing. You can see the course content and participate in the course, but you will not be eligible for academic credit.

Step 6: If you opted to Upgrade the course, you will be prompted through payment screens and PayPal to complete the transaction. The following screenshots show this process.

About the Credit Eligible Track

Before you can earn credit for a course, you must:

- Verify your identity
- Complete exam proctoring
- Receive a passing grade in your course(s)

Each course on your Credit Eligible Track carries course fees such as ID verification and exam proctoring.

You must verify your identity so we know who you are. This lets us ensure the academic credit you earn appears on your official ASU transcript. You will be asked to take a photo of yourself and a valid photo ID using a webcam. You will only need to do this once.

Review your photos

- Does the photo of you show your entire face?
- Does the photo of you match your photo ID?
- Can you easily read the name listed on your photo ID?
- Does the name on your ID match your account name: Sarah Johnson? If not, you can request a name change by contacting our support team.

Yes, my photos meet the requirements.

If not, you can retake your photos.
